BUDGET NARRATIVE

Our Mission

We have high expectations for every student, and provide multiple opportunities and pathways for success. We provide learning opportunities for all, and create nurturing environments where students are inspired and empowered.

Our Vision

Milpitas Unified School District is an exceptional district in which students and staff are critical thinkers and trailblazers known for creativity and innovation. We prepare students to go out into the world and make a difference as responsible citizens who are passionate about life and learning.

District Strategic Goals

1. Build a Culture of We that engages parents, staff, and community partners in supporting student success.
2. Improve communication systems for better outreach to parents, students, and staff.
3. Develop educational pathways that allow students to apply their passion in learning for their future careers.
4. Focus services and support systems to ensure that all students are engaged in their learning and are making social, emotional and academic gains.
5. Identify creative, student-focused strategies to accommodate enrollment growth and ensure healthy learning environments.

Milpitas Unified School District Profile

Milpitas Unified School District (MUSD) is located in the City of Milpitas, California. The City of Milpitas is located in the northeastern corner of the world famous Silicon Valley between San Jose, to the south, and Fremont, to the north. In March of 1956, the District welcomed Joseph Weller Elementary School as its first school. The names of the District's elementary schools are from the early settlers who cultivated the land in what is now Milpitas. Currently, MUSD operates ten elementary schools, two middle schools, one traditional high school and one alternative high school, and offers preschool and adult education programs to the community. Education is provided to approximately 10,300 students and the District has about 1,000 employees. It is one of the top employers in the City of Milpitas.

District's Operation Overview

The year, 2020, will surely be one to remember for years to come. The COVID-19 pandemic changed every aspect of our lives, worldwide. The pandemic made it necessary for us to adapt in ways that we never would have imagined: becoming Zoom experts, finding ways to stay productive while working from home, adapting new ways of teaching and learning.

COVID-19 also placed new demands and challenges on education. Throughout the year, the District has explored many ways to continue meeting the needs of our students while ensuring a healthy and safe learning environment for both students and staff. In the spring of 2020, the MUSD EducatEveryWhere (MUSD EEW) v. 1.0 was launched. The District quickly transformed from in-person learning to distance learning in response to the Shelter in Place order issued by the Governor. Milpitas USD was one of the few Districts that implemented distance learning programs in such a quick turnaround. During this time, our staff has put in thousands of hours to ensure that our students and families have access to masks, food, Wi-Fi, hotspots, digital devices, and resources that our students and families need for learning. School Staff, District leaders, and Board members have made numerous home visits to assist students who are not engaged or need assistance with distance learning. With various levels of involvement from our teachers, support staff, and community members, MUSD EEW v. 3.0 began on April 1, 2021. It incorporates the use of a rubric to identify students for tiered support. In addition, the opportunity is offered to all students in TK-6th and 9th grade whose preference is to be on campus for in-person learning each week for a designated period of time. Our schools also posted the class schedules on their websites, which helped parents and students have a smooth transition. Currently, MUSD EEW v. 4.0 is in development to prepare for full, five days a week in-person learning for the coming 2021-22 school year.

As we transition to in-person learning, we are committed to provide a safe learning environment for all staff and students. A District safety team has been established and has launched many Safety-First Campaigns, published safety protocols and developed a safety checklist for sites and departments to follow. The District's operations have not stopped during the "Shelter in Place" order. Our staff was paid on time by our Business Services team; our students and families received free meals from our Student Nutrition team; our schools and offices were disinfected and deep cleaned by our Maintenance, Operations and Transportation (MOT) team to keep our District within the safety protocols. Fortunately, our timeline for the budget adoption has not been affected by this pandemic. In early January 2021, we began our staffing plans for the 2021-22 school year. It was a collaboration with Human Relations, Learning and Development, and school sites. A conservative approach is used in our budget projections. Revenue is projected when we know it is certain; while expenditures are budgeted to the full extent. We also followed the latest information provided by the State Department of Finance as well as the recommendations from School Services of California to plan for the 2022-23 and 2023-24 school years.

Governor's 2021-22 Proposed State Budget Overview

On May 14, 2021, Governor Newsom released his revision to the State 2021-22 Budget plan proposal. A year ago at this time, the State Department of Finance projected a deficit of \$54 billion. Now California expects a staggering \$75.7 billion surplus — an amount that surpasses most states' annual spending in history. California is “roaring back” from the initial dark days of the health pandemic that has gripped the state for nearly a year and a half.

Governor Newsom’s “California Comeback Plan” includes a mixture of ongoing and one time investments of \$100 billion made possible by an unanticipated surge in state revenues and robust federal stimulus funding. Here are some highlights that will impact education:

Proposition 98 Rainy Day Fund:

The Governor’s Budget projected a total of \$3 billion in payments to the Public School System Stabilization Account between 2020-21 and 2021-22 in January. The increase in capital gains revenues at May Revision have increased these required payments to a total of \$4.6 billion. Under current law, there is a cap of 10 percent on school district reserves in fiscal years immediately succeeding those in which the balance in the account is equal to or greater than 3 percent of the total K-12 share of the Proposition 98 Guarantee. The balance of \$4.6 billion in 2021-22 might trigger school district reserve caps beginning in 2022-23

Local Control Funding Formula (LCFF):

At May Revision, the 2021-22 cost-of-living adjustment (COLA) was updated to 1.7 percent, for a new compounded LCFF COLA of 4.05 percent. Additionally, to help local educational agencies address ongoing fiscal pressures, the May Revision provides a 1 percent increase in LCFF base funding. This increase, when combined with the compounded adjustment, results in growth in the LCFF of 5.07 percent over 2020-21 levels.

Reopening Schools:

The May Revision assumes a return to full-time, in-person instruction for the 2021-22 school year. To ensure safety, the May Revision proposes \$2 billion one-time Proposition 98 General Fund to fund health and safety activities. The May Revision also proposes a series of improvements to the existing independent study programs for those families that are hesitant to send their children back to school as an option for distance learning. Here are the additional requirements: (1) provide access to technology, internet connectivity, and a dedicated and rigorous curriculum; (2) develop and implement a framework of tiered re-engagement strategies for students that have not been participating meaningfully in instruction; and (3) track and record daily student participation and interaction with teachers.

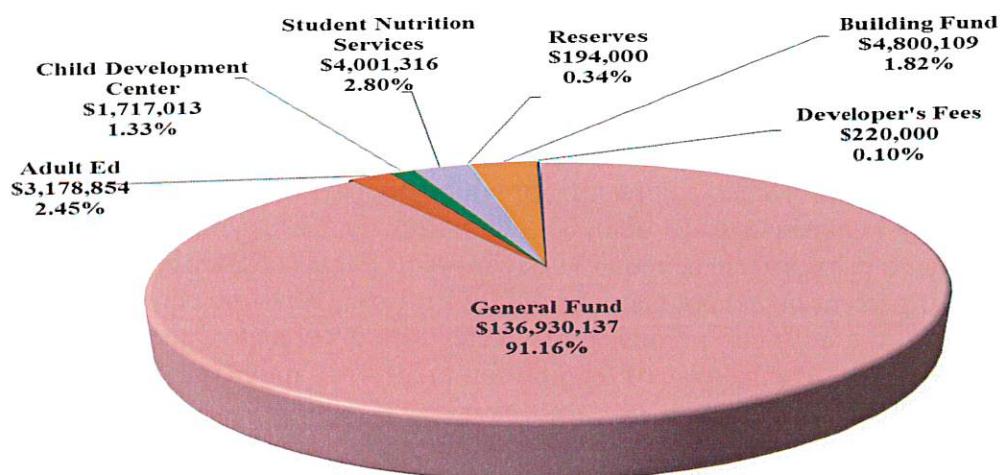

Universal Transitional Kindergarten:

The May Revision proposes a series of investments beginning in 2022-23 to incrementally establish universal transitional kindergarten, creating a "14th grade" of public education by 2024-25. Universal transitional kindergarten would be phased-in over four years, with local educational agencies able to use 2021-22 for planning and infrastructure development, and additional access for four-year-olds, increased in increments of three months of age per year from 2022-23 through 2024-25, when all four-year-olds would be eligible. The costs of this plan are anticipated to be approximately \$900 million in 2022-23, growing to \$2.7 billion in 2024-25.

2021-22 District Budget Assumptions

With the 2020-21 fiscal year coming to an end, the revenue and expenditure projections have been finalized for the current year. The estimated actual income statement for all District funds have been prepared for your reference. Please see the estimated actual income statement on page 11. The following is an overview of the estimated revenue of 2021-22 by fund for the entire District:

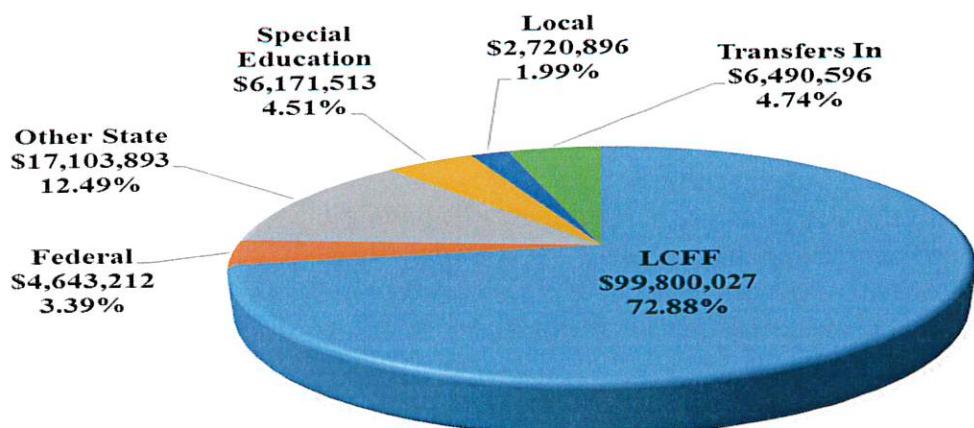

2021-22 All Fund Revenue at a Glance

Since the General Fund has the largest operational budget, this will be the focus of our analysis.

Ever since the Local Control Funding Formula (LCFF) was enacted in 2013-14 by Governor Brown, it has been the largest income source for the District operations. For the coming year, the Governor's May Revision proposed a cost of living adjustment of 5.07%. The District's total LCFF revenue is projected at \$99,800,027 for the 2021-22 school year. Here is an overview of the District's General Fund revenue projection:

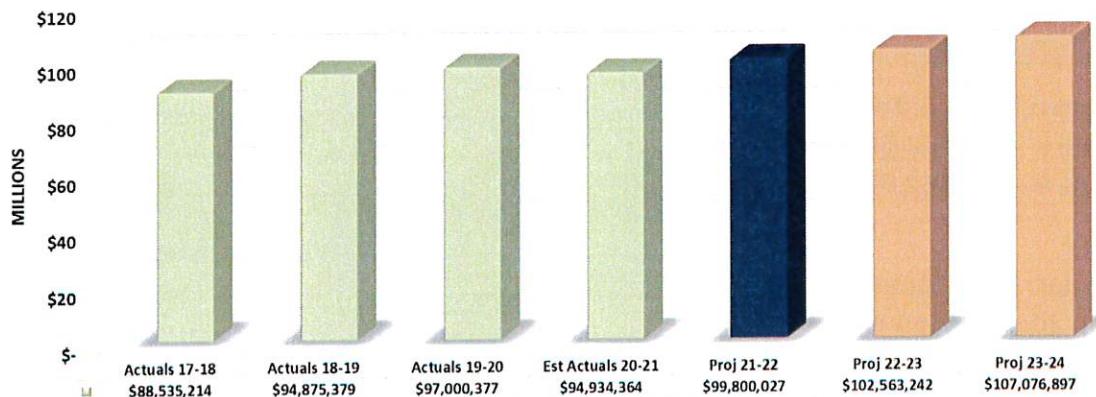

2021-22 General Fund Revenue Projection Overview

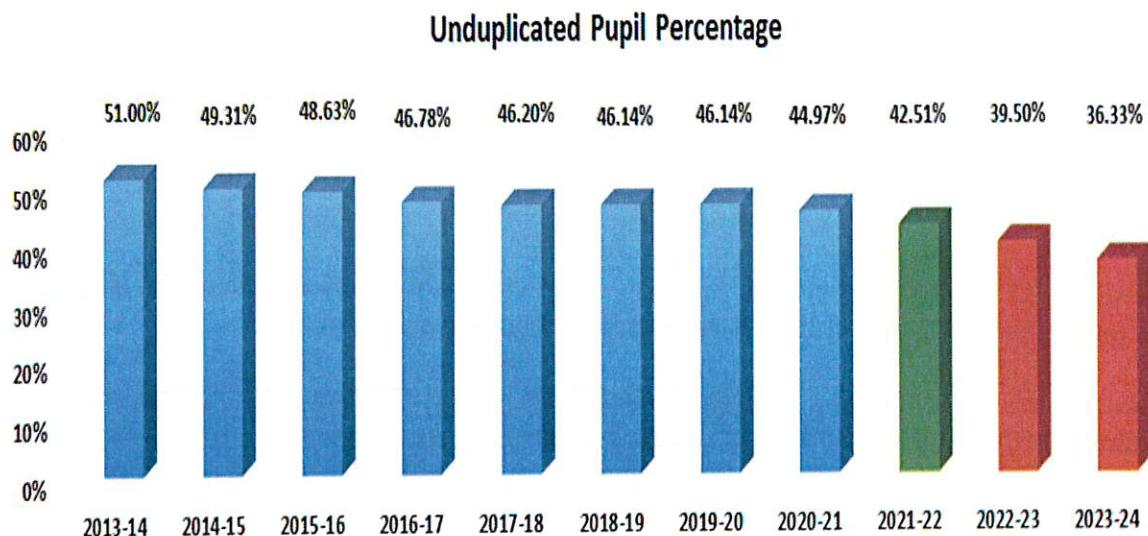

The LCFF revenue is about 73% of the total General Fund Revenue, the following are the factors used in the calculation.

LCFF Factor	2021-22
ADA	10,065
COLA	5.07%
Supplemental Student %	42.51%

Here is a history and projection of the LCFF Revenue funding:

One of the important factors that will impact our LCFF funding is the supplemental %. The supplemental funding calculation is based on a three year rolling average of the District's unduplicated student count on the English Learners, Low Income Students and Foster Youth. With the demographic changes in the City, our supplemental student population has been decreased throughout the years:

Currently, our supplemental funding projection is at \$7,753,521 for the 2021-22 year; \$7,447,027 for the 2022-23 year and \$7,195,609 for the 2023-24 year.

During the 2014-15 school year, Governor Brown provided a one-time funding, called “Discretionary funding” to support the District’s operations. After Governor Newsom took office in the 2019-20 school year, he suspended that funding. Fortunately, the State and Federal government provided additional one-time funding to help the District to purchase personal protection equipment (PPE), technology equipment and other supplies and materials to get through the COVID-19 pandemic.

Here is a summary of the one-time funding that were included in the budget:

- \$477,511 for Elementary and Secondary School Emergency Relief (ESSER)
- \$316,717 for Governor’s Emergency Education Relief (GEER)
- \$6,972,434 for Expanded Learning Opportunity Grant (ELO)

Following are other revenue assumptions used in the projection:

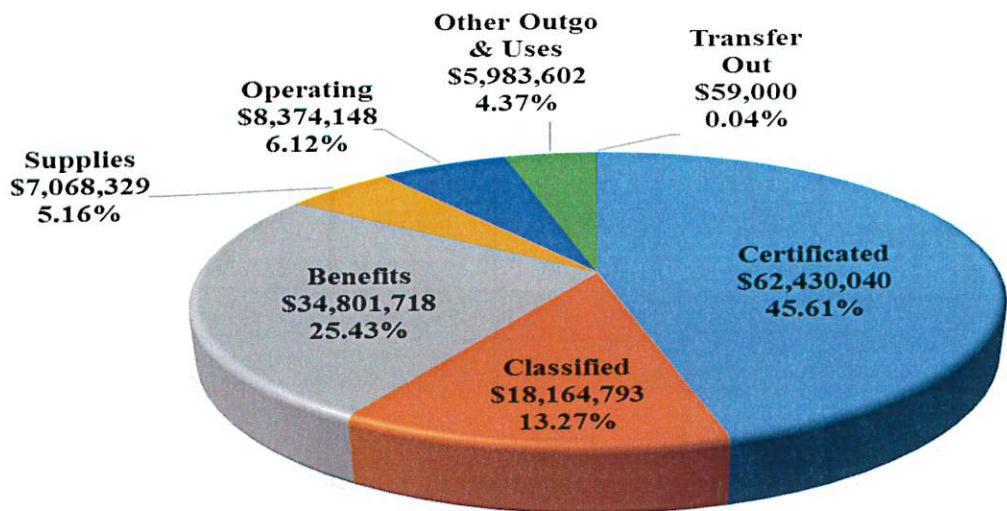

2021-22 Revenue Assumptions	
Mandated Block Grant	
Grade K – 8: \$32.66/ADA	\$226,987
Grade 9 – 12: \$62.87/ADA	\$197,538
Lottery	
Regular: \$150/Annual ADA	\$1,733,400
Prop 20: \$49/Annual ADA	\$565,166
Interest Revenue	\$215,000
Lease & Fees	\$175,181
Parcel Tax Revenue @ \$84/parcel	\$1,568,897

2021-22 General Fund Expenditures

The expenditure projection is aligned with the District’s Local Control Accountability Plan (LCAP).

- Goal 1 – All MUSD students will receive standards-based instruction, curriculum, and assessments by highly qualified teachers in a safe environment to be fully prepared for college and career. Unduplicated Students-Low Socioeconomic, Foster Youth, Homeless, English Learners and Students with Disabilities will make accelerated growth to close the achievement gap.
- Goal 2 – All MUSD students are fully invested to thrive academically, socially, and emotionally in a safe, nurturing, and culturally responsive school environment.
- Goal 3 – Every school is a community of educators and families working together as partners, sharing responsibility, leadership, and advocacy for the success of all children. All MUSD families feel welcomed and are fully invested in their children's education through authentic partnership with teachers and site leaders.

The total General Fund Expenditures are projected at \$136,881,630.

84% of total expenditures are for employees' salary and benefits. The table below is a summary of the full time equivalent (FTE) projected:

2021-22	General Fund Unrestricted	Categorical Programs	Special Education Program	Total General Fund FTE
Certificated	433.90	4.10	84.00	522.00
Certificated Administrator	34.50	1.20	5.00	40.70
Classified	152.90	22.25	106.84	281.98
Classified Manager	6.47	5.63	2.00	14.10
*FTE Total	627.77	33.18	197.84	858.78

*Note: Full Time Equivalent (FTE) is 8 hours/day

The following are the major expenditure changes in 2021-22 compared to 2020-21.

- Step and column movement of \$1,750,000 is estimated based on 2020-21 year staffing level.
- Salary schedule improvement of 4% from 2020-21 year is carried forward into the new fiscal year. The total cost with statutory benefits for all District employees is projected at \$3,582,527.
- The District has agreed to a \$100 per month medical cap increase effective July 1, 2021 for all eligible employees. This will increase our total medical cap to \$16,166 annually per full-time employee. We have also projected a 10% medical premium increase for single employees whose coverage is below the cap. Total estimated cost for Health and Welfare is \$8,995,127 for all active employees and \$453,000 for retirees. These costs are normally adjusted during the First Interim, after open enrollment.
- The total statutory benefits are projected at \$25,353,591, including a \$6,200,000 state funded STRS on-behalf payment. The following estimated rates are used in the calculation:

History and projection of the total Statutory Benefit Rates:

	18-19	19-20	20-21	21-22	22-23	23-24
STRS (Certificated)	16.28%	17.10%	16.15%	16.00%	19.10%	19.10%
PERS (Classified)	18.06%	19.72%	20.70%	22.91%	26.10%	27.10%
Social Security	6.20%	6.20%	6.20%	6.20%	6.20%	6.20%
Medicare	1.45%	1.45%	1.45%	1.45%	1.45%	1.45%
Unemployment Insurance	0.05%	0.05%	0.05%	1.23%	0.20%	0.20%
Worker's Comp	1.76%	1.87%	1.92%	2.02%	2.12%	2.23%
Total Certificated	19.54%	20.47%	19.57%	20.70%	22.87%	22.98%
Total Classified	27.52%	29.29%	30.32%	33.81%	36.07%	37.18%

- Supplies and Other Operating Expenditures

All prior year program deferred revenue and ending fund balances of <\$3,016,675> are taken out of the budget. We assume that they will be fully spent in 2020-21. After the 2020-21 books are closed, we will add in the program deferred revenue and ending fund balances to the 2021-22 budget.

Other major increases in expenditures include:

- Utilities: Water, Gas and Electricity, Waste Disposal: \$395,000
- Liability Insurance Premium: \$125,675
- Special Education Non-Public School Tuition and County Program Cost: \$286,231

General Fund Projected 2021-22 Ending Fund Balance

The ending fund balance is an important component that reflects the financial health of a district. Districts must follow AB 1200, to have a minimum reserve level that depends on the size of the district. The statutory requirement for our District is a 3% reserve designated for economic uncertainty.

The 2021-22 General Fund projected ending fund balance is \$4,596,896.

2021-22 Ending Fund Balance	
Designated for Economic Uncertainty (3% Required Reserve)	\$4,106,449
Revolving Cash	\$15,000
Stores & Prepaid	\$475,447
Total	\$4,596,896

Multi-Year Projections

The multi-year projection is also part of the AB 1200 requirements. It provides the public with a snapshot of our District's financial status at a given time. As new information becomes available and spending plans change, the budget is revised along with the multi-year projection. The purpose of the multi-year projection is to assist with financial decision-making, which involves staffing and program changes in the two years following the budget year. The Governor's May revision information was used as our assumptions for the projections.

Here are the Factors that were used for the LCFF Calculation:

LCFF Factors	2020-21	2021-22	2022-23	2023-24
ADA	10,011	10,065	10,155	10,350
COLA	0.00%	5.07%	2.48%	3.11%
Supplemental Students	44.97%	42.51%	39.50%	36.33%
LCFF Revenue	\$94,934,364	\$99,800,027	\$102,563,242	\$107,076,897

General Fund Multi-Year Projections Summary:

	Est. Actuals	Proposed	Future Projections		
			2020-21	2022-23	2023-24
Beginning Balance	\$9,813,869	\$4,548,389	\$4,596,896	\$4,474,857	
Revenue Before Transfers In	\$127,883,251	\$130,439,541	\$125,436,094	\$128,380,852	
Expenditures Before Transfer out	\$134,627,439	\$136,822,630	\$135,269,601	\$138,765,453	
Transfers In from Other Funds: Building Fund	\$1,450,000	\$1,450,000	\$1,450,000	\$6,011,402

Transfers Out to Other Funds	(\$500,000)	(\$59,000)	(\$59,000)	(\$59,000)	
Ending Balance	\$4,548,389	\$4,596,896	\$4,474,857	\$4,579,734	
3% Required Reserve	\$4,053,823	\$4,106,449	\$4,059,857	\$4,164,734	
Other Reserves and C/O	\$494,566	\$490,447	\$415,000	\$415,000	
Amount Needed to Balance the Budget	\$0	\$0	\$0	\$0	

Closing

Based on the current available information that has been provided, the District's budget will be balanced through the year of 2023-2024 with the help of our reserves. Since the State and Federal government provides 95% of the District's operating income source, the State's economic development will need to be closely monitored for the coming fiscal year.

The year of 2020 incurred a dramatic economic downturn due to the COVID-19 pandemic. While the pandemic has greatly changed the manner in which we go about our daily lives, the economic recovery has been swift. A strong economic performance has made the State revenue swing from a \$54.0 billion deficit a year ago to a current-year surplus of \$75.7 billion. During this time last year, we were facing a potential 7.92% cut to our budget with fiscal uncertainties in the future. The Multi-Year projections were developed with 3 different scenarios, from the least to the greatest desirable options. A budget shortfall ranging from \$6.5 million to \$21.6 million was estimated. With this unprecedented surplus one year later, the District is very grateful that the Governor is investing the additional resources into Education. District operated programs such as Adult Education will anticipate a healthy ending fund balance of \$2,375,244, as well as the Student Nutrition program with an ending fund balance of \$1,149,004. The Child Development Center had a deficit in the past and required contributions from the General Fund. This year the program is financially self-supportive.

As we look forward to the coming fiscal year, we will continue to work diligently in managing our spending while exploring opportunities to generate additional income sources to help the District's operations. The District's Parcel tax revenue will expire on June 30, 2023. It generates a steady income of about \$1.6 million to support the District's core academic programs. With the uncertainty of the future parcel tax income it has not been included in the 2023-2024 projection.

As the District prepares for full-time, in-person learning, the hope for the future is to return to a sense of normalcy. The increased revenue in the May Revision's proposal will help the District to continue offering high quality education and support services to all of our children and families. In December 2021, we will provide the First Interim, which is our first major budget update. We are looking forward to a better year ahead for our County and District.

FUND 010 – GENERAL FUND/UNRESTRICTED

General Information

The District's 2021-22 Proposed Budget is based on the Governor's 2021 May Revision and the guidance from School Services of California's Financial Projections. It also includes the 2020-21 Estimated Ending Fund Balance.

Revenue

The main source of the District's revenue is the Local Control Funding Formula (LCFF), which was signed into law on July 1, 2013. The factors affecting the LCFF calculation are the percentage of Cost of Living Adjustment (COLA), the average daily attendance (ADA), and the percentage of unduplicated pupil count of English Learners, Low Income, and Foster Youth.

For the coming year, the Governor's May Revision proposed a compounded 5.07% Cost of Living Adjustment (COLA) adjustment to the base grant. Our LCFF revenue is projected at \$99,800,027 with an estimated ADA of 10,065 and 42.51% for the unduplicated pupil count.

Salaries

Salaries reflect employee step and column changes, plus other staffing changes to date, such as retirement, resignation, and promotion. No salary improvement for 2021-22 is included in the projection.

Benefits

Changes to the fringe benefits have been included in the 2021-22 budget. This includes benefit changes due to any salary adjustments or staff changes. The statutory benefit rates have been updated based on the current available information.

Other Expenditures

All known changes to date are included in the 2021-22 expenditures projection. The carry-over from 2020-21 is not included. The estimated actuals for the fiscal year 2020-21 are based on the April 2021 financial reports.

**FUND 060
GENERAL FUND
RESTRICTED**

FUND 060 – GENERAL FUND/RESTRICTED

General Information

Restricted funds are entitlements and grants given by the Federal, State, and Local government, agencies, and companies. These funds can only be used for specified purposes.

Revenues

The Cost-of-Living Adjustment (COLA) is estimated at 1.70% for 2021-22. The Federal, State, and Local revenues are projected to be \$2,071,405 less than 2020-21.

This includes:

- (\$1,779,130) - Prior year carryover is expected to be fully spent.
- (\$106,973) - Federal Grant: Comprehensive Support and Improvement (CSI) and Navy Junior Reserve Officer Training Program (NJROTC).
- (\$29,601) - State Grants: Tobacco Use Prevention Education.
- (\$766,354) - COVID-19 Federal and State Grant.
- \$352,174 - Various Local programs: KLA-Tencor Grant, Santa Clara Behavioral Services.
- \$258,479 - Increase Routine Maintenance Contribution due to salary and benefits rate changes.

Expenditures

The total expenditure budgets are balanced with the revenue budgets. The District will continue to contribute to the Routine Restricted Maintenance program. Carryover will be added after the books are closed.

Indirect Costs

Indirect costs are determined by applying the approved rate to eligible expenditures. The California Department of Education's federally approved indirect cost rate is 4.62% for 2021-22.

SPECIAL EDUCATION**

FUND 080 – GENERAL FUND/RESTRICTED SPECIAL EDUCATION

Overall Expenditures

The total expenditures for the 2021-2022 school year are projected at \$25,354,270 the contribution from the General Fund increased approximately by \$1,465,033 from the 2020-2021 year.

Contractor Costs

Overall, we will adjust contractor costs for the 2021-2022 school year by replacing two contracted Speech Language Pathologists and five special education teachers with district-hired staff at Burnett, Curtner, Sinnott and Milpitas High School. Further, a reduction of Mental Health contracted costs will be evident with in-house hires of Mental Health Counselors at Rancho, Russell and Cal Hills in 2021-2022.

Programmatic Costs

Staffing needs were adjusted in alignment with student needs including the collapse of one special education classroom at both Preschool CDC and Rancho, as well as the opening of a new class at Zanker.

Certificated staffing will remain flat for school psychologists, occupational therapists, Adapted Physical Education (APE) teachers, and Physical Therapists; however, one Program Manager position will be reinstated to support the Inclusion and department overall.

Classified staffing of Para educators and Transitional Assistants will align with the certificated changes noted above.

FUND 110

ADULT EDUCATION

FUND 110 – ADULT EDUCATION

Milpitas Adult Education (MAE) serves over 3,500 adults, residence and non-residence, yearly. The program also serves high school students whose graduation status is in jeopardy, as well as inmates who are under the jurisdiction of the Santa Clara County Office of the Sheriffs at the Elmwood Correctional Facility, Correctional Center for Women, Main Jail and the Reentry Resource Center.

In 2013, MAE became a member of the South Bay Consortium for Adult Education (SBCAE) mandated by Assembly Bill (AB) 86. With the passage of AB104, in 2015, the school was funded through the Adult Education Block Grant. In 2018, California Legislature mandated a change to the Adult Education Block Grant (AEBG), making it the California Adult Education Program (CAEP).

MAE provides instruction in the following state-mandated curricular areas: adult basic skills, adult secondary skills through high school diploma completion courses offered through independent study, classroom-based instruction, and high school equivalency diplomas, English as a Second Language (ESL), Citizenship preparation class to take the naturalization test and short term Career Technical Education classes. MAE offers a variety of fee-based community interest classes.

The Santa Clara County Correctional Facilities offer classes in adult basic education, high school equivalency preparation classes, substance abuse relapse prevention, health and safety education, parenting, conflict resolution, anger management, exit planning for release, and short term vocational training. Due to the COVID-19 pandemic, the program at Corrections was closed for almost 5 months. As we reintegrated our instructional services, we brought back six staff to implement pilot programs.

The Adult Education continued to provide instructional services remotely during the 20-21 COVID-19 pandemic, aligning with MUSD's EducateEveryWhere campaign. Our work meets Milpitas Unified School District Strategic Goal #1 to build a Culture of WE, strengthening as we work through the challenges. During the pandemic, we casted our net wider to involve a larger variety of groups. As a result, Adult Ed started supporting families of essential workers' through the learning pods, an effort with MUSD's Childhood Development Center.

The projected revenue total for Adult Education is \$3,178,854, which does not reflect the Governor's May revision proposal, the projected expenditure is \$2,909,776, and the projected net operational gain is \$269,078 for the 2021-22 year.

FUND 120

CHILD DEVELOPMENT

CENTER PROGRAM

FUND 120 – CHILD DEVELOPMENT CENTER PROGRAMS

The Child Development Center (CDC) provides part-day and full-day state preschool programs, as well as school-age programs.

PART-DAY STATE PRESCHOOL PROGRAM

Five three-hour classes are held at the Rose and Sunnyhills CDC during the school year. Approximately, 100 state subsidized and 20 full-cost pre-kindergarten children are served. Students attend two, three, or five days a week. During the summer, two to three part-day classes operate at the Rose CDC. 75-80% of the student population are multilingual families. Students are provided with the opportunity to acquire various skills in preparation for kindergarten.

FULL-DAY STATE PRESCHOOL/CHILD CARE PROGRAM

One full-day preschool program at Rose CDC serves approximately 24 children, ages 3 and 4. The program operates 237 days per year from 7:30 AM - 5:30 PM. In addition to meeting the child care needs of families in the community, a rigorous preschool program helps ready children for successful entry into kindergarten. The state assists qualified working families by paying a portion of child care expenses on a sliding scale. Other families pay full-cost tuition for child care services.

SCHOOL-AGE PROGRAM

The extended day program operates at Randall, Rose, and Sinnott elementary schools. Approximately, 85 students ranging from transitional kindergarten through sixth grade are served from classroom dismissal time until 5:30 PM.

School-age care is available during summer, district in-service days, and winter and spring break weeks from 7:30 AM - 5:30 PM. Aside from being a safe child care environment, this program supports each student's classroom teacher in helping that child achieve and/or maintain academic success. In addition to homework support, school-age program teachers and paraprofessionals engage students in grade-appropriate activities intended to complement classroom curriculum. Some families pay full-cost tuition fees, while others receive financial assistance from the state.

ACCOUNTABILITY

Both part-day and full-day preschool programs use the California State Preschool Learning Foundations and Frameworks to guide their academic, social-emotional, and physical development instruction.

Curriculum and program assessment for all CDC Programs are in strict compliance with the State Adopted Desired Results Developmental Profile tools (DRDP-PS and SA), the Early Childhood and School-Age Environmental Rating Scales (ECERS and SAERS), and the Funding Terms and Conditions (FT&C's) for contracts with the California Department of Education.

The total revenue is projected at \$1,717,013. Approximately, \$1,284,544 is from State contracts for subsidized child care and \$432,469 from local revenue childcare, subsidized parent fees, program collaborations with Head Start, the Quality Rating and Improvement System (QRIS) grant, and the Santa Clara County Pilot Rate Program.

FUND 130

STUDENT NUTRITION SERVICES

FUND 130 - STUDENT NUTRITION SERVICES

On April 20, 2021, the United States Department of Agriculture (USDA) announced a new suite of child nutrition program nationwide waivers and flexibilities to support a successful school reopening in the school year 2021-2022. The waivers permit school districts to operate the seamless summer option throughout the new school year, allowing all students and any youth under the age of 18 to receive free meals.

The Revenue budget assumptions are based on average daily participation and state and federal reimbursement rates. Per USDA announcement, meal reimbursement rates are expected to increase to help alleviate the increased cost to provide safe meals during the pandemic. Student Nutrition Services will continue to offer breakfast and lunch to all community youth, distance learners, and in-person learners. Furthermore, the department will work with each school to support the meal periods and the service model that is aligned with the COVID-19 health guidelines, if still applicable.

Student Nutrition Services is actively working to offer a greater variety of foods on the menu and planning outreach activities to attract more student participation. We also strive for continuous improvement in our meal programs to ensure our service is student-centered, accessible, and desired by our diverse student population.

As salaries and benefits have consistently increased each year, the COVID-19 pandemic has also significantly disrupted the food supply chain. Production challenges and product unavailability contribute to higher cost of goods. As a result, these factors have caused a negative impact to our operating income.

The projected revenue for Student Nutrition Services in 2021-2022 is \$4,001,316, the projected expenditure is \$4,048,176, with an estimated ending fund balance of \$1,149,004.

FUND 140

DEFERRED

MAINTENANCE

FUND 140 – DEFERRED MAINTENANCE

The adopted 2009 State Budget Act made several significant changes to this Fund. The funding is now part of the Local Control Funding Formula (LCFF) as unrestricted General Fund revenue. Local matches are no longer required. Primarily, the revenue in this fund is from the Building Fund transfer-in of \$300,000 and \$1,200 from earned interest. The District has budgeted \$301,200 for repair and maintenance and equipment replacement projects. No ending fund balance is projected.

FUND 170

SPECIAL RESERVE

OTHER THAN

CAPITAL OUTLAY

PROJECTS

FUND 170 – SPECIAL RESERVE FUND FOR OTHER THAN CAPITAL OUTLAY PROJECTS

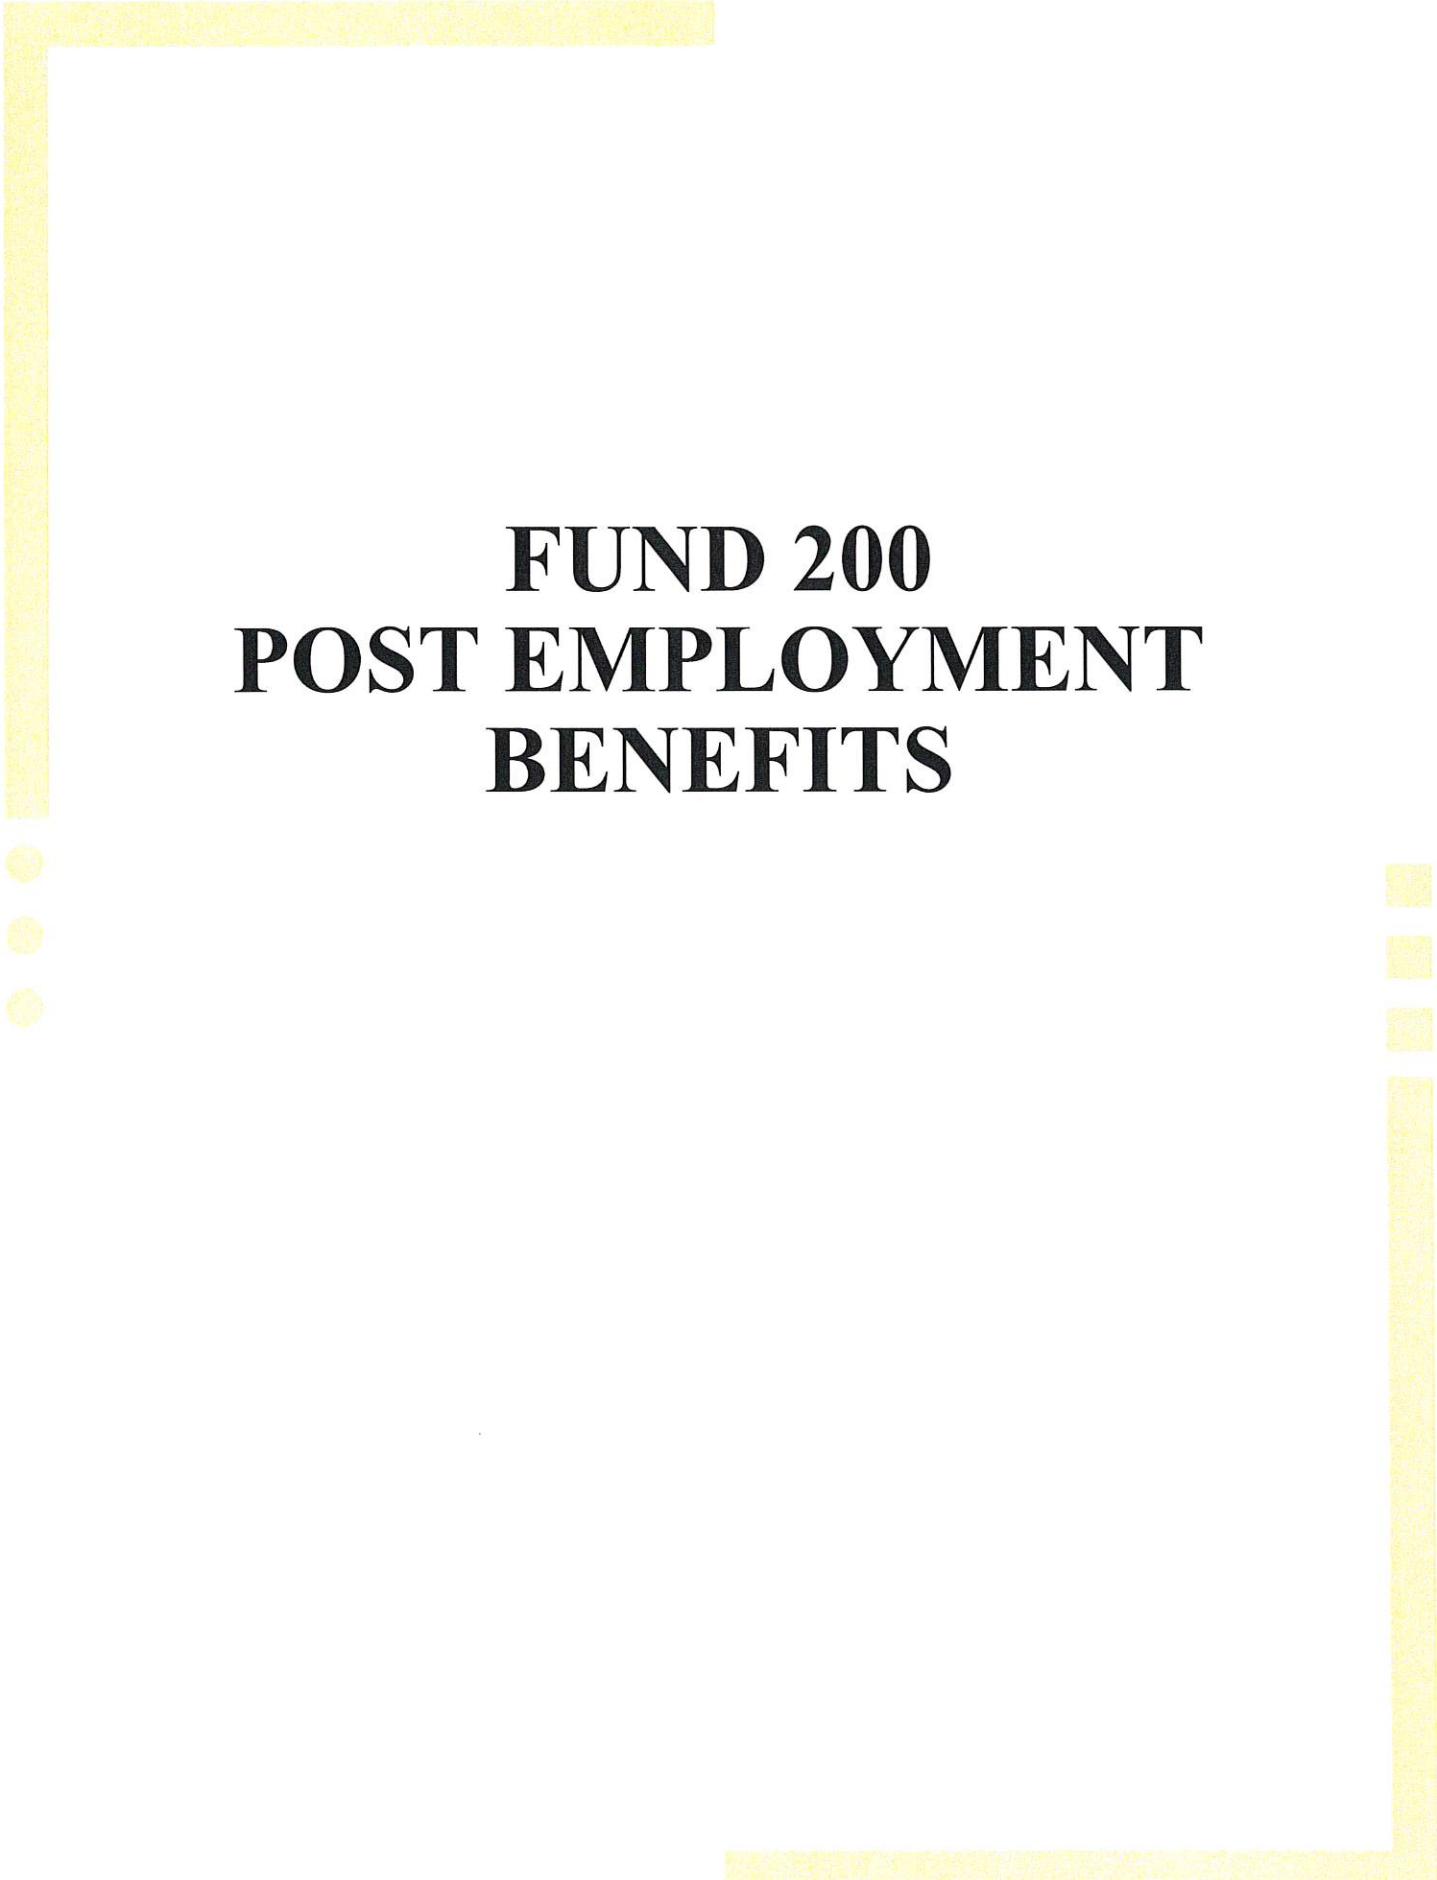

The District adopted Resolution 2012.15 in 2011-12 to establish Fund 170 – Special Reserve Fund for Other Than Capital Outlay Projects. After the fund was established, the District transferred \$10,000,000 from Fund 210 – Building Fund into this account.

At the end of fiscal year 2013-14, the District received a one-time fund of \$7,159,830 as a result of the Redevelopment (RDA) settlement. In 2020-21, the amount of \$528,708 was transferred out to the General Fund. This was to accommodate the one-time spending plan developed for the District over the year. \$622,899 was budgeted for the 2021-22 school year.

An interest earning of \$170,000 was projected for the overall fund. An estimated \$3,917,697 will be transferred out to the General Fund to help balance the 2021-22 budget. The projected ending fund balance is \$12,141,030 for 2021-22.

FUND 200 POST EMPLOYMENT BENEFITS

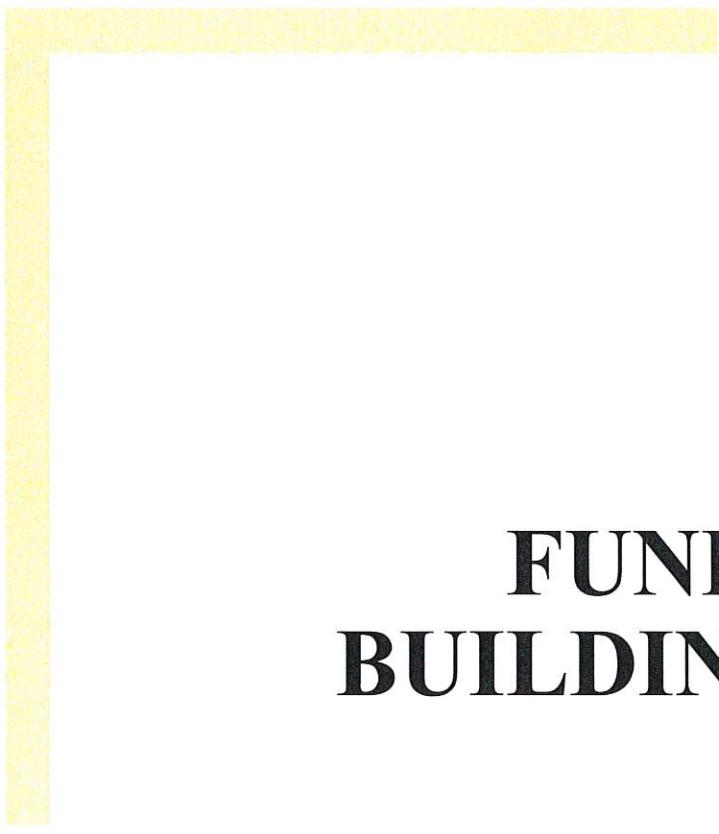

FUND 200 – POST EMPLOYMENT BENEFITS

The District established this fund in 2005-06 as a reserve against unfunded liability related to post retirement benefits according to GASB 75. Each year, from 2005-06 to 2007-08, the District has transferred a \$500,000 savings from the General Fund to this fund. There are no restrictions on how to use this fund in the future years.

The only income projected under this fund will be the interest revenue earned during the year, which is estimated at \$24,000 for 2021-22. We project a transfer of \$500,000 to General Fund to offset the retiree benefit cost. The projected ending fund balance will be at \$1,327,419 for 2021-22.

FUND 210

BUILDING FUND

FUND 210 – BUILDING FUND

Revenues projected in this fund are primarily from Milpitas Successor Agency pass-through payment and revenue long-term leases.

The following is a list of the major leases:

- Calaveras Center (Formerly Menlo Equity)
- Milpitas Montessori
- Merryhill (Formerly Rainbow Bridge)
- Calaveras Retail Center

The District is also projected to receive redevelopment pass-through revenue, which is calculated by the county office.

Expenditures relating to capital purchases and property improvements are recorded in this fund, as well as expenses associated with rental and lease property management.

The revenue is projected at \$3,000,000 from redevelopment agency pass-through, \$1,318,909 from leases, rentals and \$180,000 in earned interest. Due to the uncertainty of the economic climate in the housing market, we are taking a conservative approach in projecting the revenue.

Expenditures are projected at a total of \$4,453,510.

- \$377,644 for salary, benefits and supplies for staff who manage the Measure AA Bond program
- \$1,337,767 for the solar project including staff salary and benefits plus the principal and interest payments for the Solar panel
- \$429,523 is a one-time payment to upgrade the fiber of the network at Milpitas high school
- \$371,663 for the costs associated with the San Jose City College joint use project
- \$186,913 for costs associated with our rental property
- \$1,450,000 for regular annual transfer out to General Fund to support the routine restricted maintenance program
- \$300,000 for transfer out to Deferred Maintenance Fund for repairs and maintenance projects

The projected ending fund balance for 2021-22 is at \$18,175,173.

FUND 213

MEASURE AA BOND

FUND 213 – MEASURE AA BOND

On November 6, 2018, District voters approved Measure AA, authorizing the issuance of up to \$284 million in general obligation bonds. Last year, the District issued \$75,000,000 to cover the costs for Phase I projects.

The following projects were completed during the 2019-20 fiscal year:

- Painting at Burnett, Curtner, Pomeroy, Milpitas High and Maintenance Operations Transportation
- Paving at Pomeroy, Rose, Sinnott, Russell and Maintenance Operations Transportation
- Roofing at Pomeroy, Russell, Milpitas High
- Spangler Piping Phase I and HVAC

The following projects are in progress and are expected to be completed:

● Painting at Milpitas High, Phase II	Summer 2020
● Paving at Spangler, Weller, and Zanker	Summer 2020
● Roofing at Burnett, Spangler, Weller, Zanker and Milpitas High	Summer 2020
● Track & Field at Rancho and Russell	Winter 2020
● HVAC at Rose, Spangler, Weller, and Zanker	Fall 2021
● Randall Modernization	Fall 2021
● Mattos Phase II	Fall 2021
● Milpitas High Performance Arts Center and Gymnasium	Fall 2023
● Ayer Innovation Center	TBD
● Districtwide Fencing	TBD

This upcoming year, our Bond consultant will work with school site leaders to develop their site modernization projects.

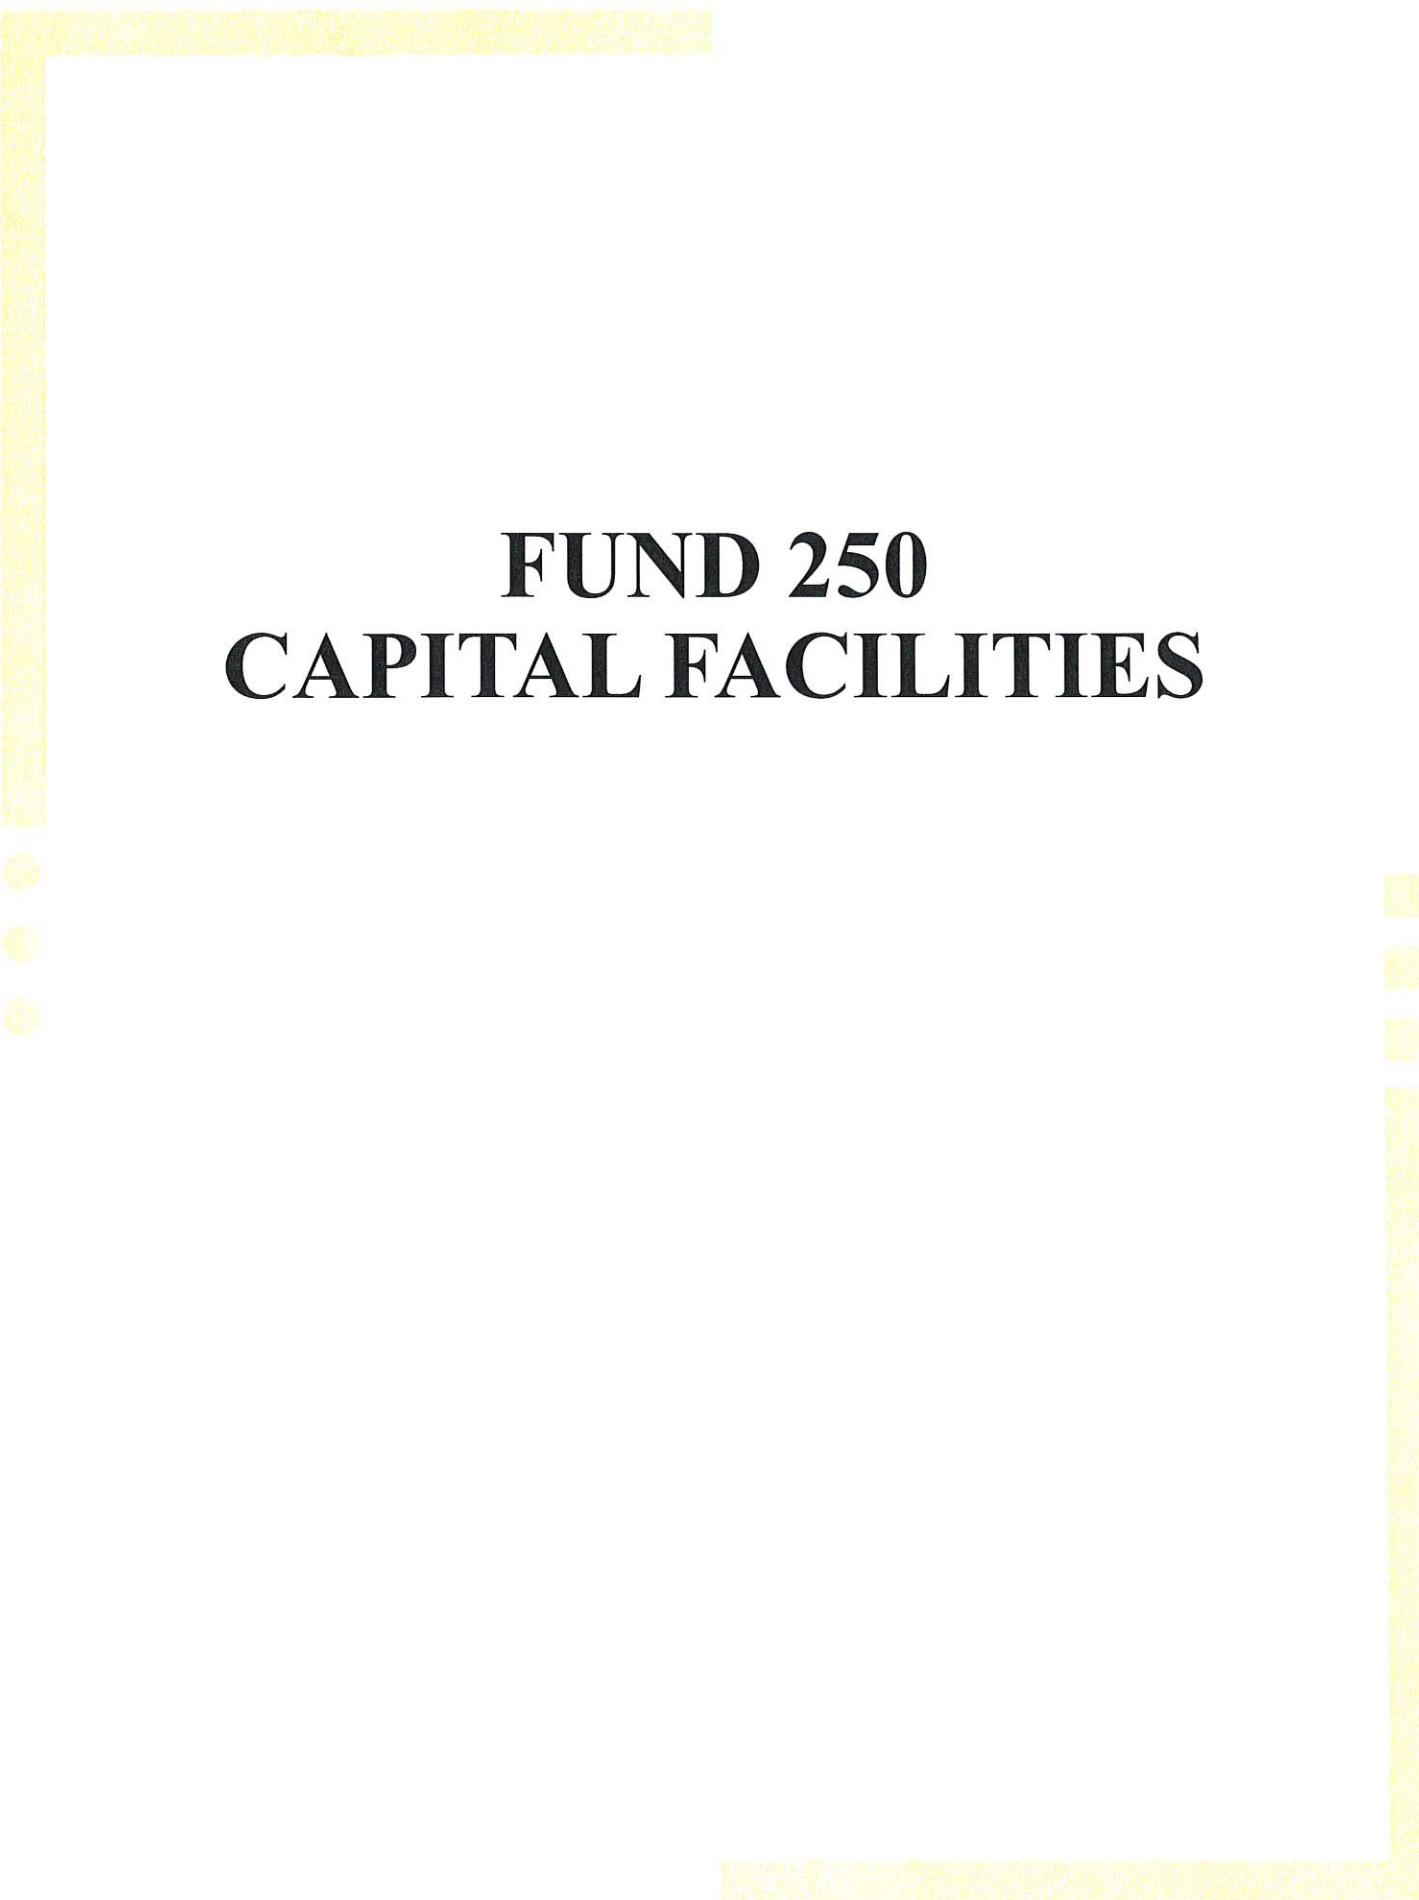

The estimated interest revenue in 2021-22 is \$400,000 and it will be adjusted throughout the year.

FUND 250

CAPITAL FACILITIES

FUND 250 – CAPITAL FACILITIES

The District collects fees from developers of residential and commercial buildings based upon the square footage of the home or commercial facility to be built. This money, also called School Impact (Developer) Fees, is used to help provide facilities for students. All fees collected from developers are deposited into this fund.

The total revenue is estimated at \$220,000 for 2021-22, which includes \$20,000 in interest earnings. The reduction in developer fees is due to the fact that most of the major development projects have been completed in prior years and there are no substantial projects in the near future. Throughout the year, revenue is adjusted based on the actual receipts. The total expenditure is projected at \$142,166. The projected ending fund balance for 2021-22 is at \$6,069,278.
